Self Service Password Reset Enrollment

1. Go to https://passwordreset.qcc.edu/ then click on Enroll into SSRPM to set-up your account for self service password reset.

2. Enter your current username, password and the security characters, then click Continue.
3. Choose security questions then click **Continue**. An Enrollment error will occur if you use the same answer for more than one question.
4. Click **Home** or **Close**.
