

Quinsigamond Community College

INCOMING NURSING 104 STUDENTS

ASSIGNMENTS FOR WEEK 1

The Nursing I faculty and clinical skills lab staff want to help prepare you for the first week of on-campus learning experiences. Please complete the following assignments before the first week of class/lab, so that you are adequately prepared to participate and practice skills:

VITAL SIGNS

Text: Taylor, Fundamentals of Nursing, Chapter 24: Vital Signs
Skills 24-1 through 24-4
Skill 45-1 Using a Pulse Oximeter (pg. 1643)
Taylor, Fundamentals of Nursing, Chapter 41: Comfort
Pg. 1379-1384 Pain Assessment

Taylor DVD: Module 1: Vital Signs

Text: Curren, Math for Meds 9th Edition
Refresher Math Pretest, Page xvi
Chapters 1 – 3, pages 2 – 34
Chapters 4 and 5 (do not include apothecary system)

MEDICAL TERMINOLOGY

Text: Fremgen, Medical Terminology, 3rd Edition.
Students are required to complete the entire book by midterm.
Begin work on self-paced modules.
